April 10, 2019

Members present: Wes Higdon, Rich Rose, Marvin Emmons, Dave Howerton

Called to order at 9:00 am

1. Treasurer's report – Balance as of 4-10-19 \$6,965.77
2. There seemed to be an error in handicap calculations after the last update. Randy Tabler will be contacted to correct. Tournament committee will look at slotting teams starting positions to try to improve flow of play.
3. We need to get clarification from Randy Tabler on scoring points in competition based on new maximum score of 8.
4. Marvin Emmons has agreed to store HIMGA supplies in his cart storage shed. We will clean out HIMGA shed after meeting.
5. Weekend play for golfers unable to establish handicaps during regular Tuesday league play is available to any member. They just need to make arrangements with tournament committee.
6. Signup for shootout qualifying needs to be posted on Tuesday, April 16th. Qualifying date is April 30th with an alternate date of May 7th. Shootout is Thursday, May 23rd at 3:00 pm. We will need volunteers to score the shootout.
7. Marvin Emmons reported we need volunteers for a few open planting beds on the course. It was suggested that Marvin contact HISID to put a notice in Holiday Island Happenings email newsletter to seek volunteers.
8. The question arose about HIMGA paying for memorial plaques for Paul Kiesling. It was decided to take up a collection among the HIMGA members for a plaque and that the board would consider making up any shortfall.

Meeting adjourned at 9:30 am

Respectfully submitted,
Rich Rose
Secretary/Treasurer
