

HIMGA Board Meeting
June 12, 2019

Members present: Wes Higdon, Rich Rose, Marvin Emmons, James Loomis, Dennis Farris

Called to order at 9:00 am

1. Treasurer's report – Balance as of 5-31-19 \$6,384.18
2. Flower Beds. Marvin Emmons reported there are 5 open beds on the 9-Hole course. There are several open beds on the 18-Hole course. We still need volunteers for the open beds, or they will be turned over to golf course maintenance to maintain. We need to have new signs made up for beds that are being maintained by volunteers. Marv will contact those volunteers we still have to make sure they will continue to maintain them.
3. Fun Day. Fun day is 07-23-19. Signup sheet will be posted by 7-2-19. Wes will work on getting the games to be played on each hole for the tournament.
4. Rules of Golf Document. We need to add a lost ball rule to the Local Out of Bounds Rule stating that the same procedure applies to both out of bounds and lost balls. Wes will see that the document is revised.
5. 2020 Board Members. Need to start recruiting board members for the next year as we have three members scheduled to drop off. The board discussed the continued future of the league if we can't get members to volunteer to serve on the board. Wes will send out a letter in the future to the general membership to discuss this issue.
6. Match Play. Starting date of match play needs to be changed as there is a conflict with a tournament that is scheduled on 8-17-19. Wes will get with Loren Bernstein to schedule a new start date so we can notify membership.

Meeting adjourned at 10:00 am

Respectfully submitted,
Rich Rose
Secretary/Treasurer
